## MUSCOVITES ADVANCE BY THE MILLION

### RUSSIAN STEAM ROLLER'S WEIGHT IS RESISTLESS

### VICTORY FOR CZAR'S ARMIES AT ALL POINTS EXCEPT ON THE LOWER VISTULA

Petrograd, Feb. 3.—Fierce fighting continues west of Warsaw, and the tide of victory is now flowing toward the Russians, who have been strongly reinforced. It is estimated that two million men are in the Russian armies west of Warsaw. Trenches captured by the Germans in earlier fighting have been recaptured.

Another invasion of Hungary by the czar's troops is in full swing, with a large force of cavalry approaching Budapest. The advancing Cossacks have practically separated the Austro-German troops at Bukovina from those in Galicia.

The Russians have scored successes in the region of Mlawa, northern Poland.

The Russian drive against Thorn has been checked by a great mass of Germans who were rushed to the lower Vistula.

#### RUSSIAN DRIVE RESUMED

Warsaw, Feb. 3.—The Russian drive against Thorn has been resumed. After terrific fighting along the lower Vistula and north of that river, the Germans retreated to Lipnow, twenty-six miles from Thorn. The Cossacks cut an entire squadron of the German Seventh Cuirassiers to pieces.

### COULDN'T COPE WITH COLONIALS

#### OTTOMANS LOST IN A BATTLE WITH AUSTRALIANS

Cairo, Feb. 3.—Australian troops defeated Turkish forces near Nachl, between the Suez canal and Elakaba. The Turks are retreating.

## SWEEP OF THE STORM

### CAUSED FEARFUL DAMAGE ON THE ATLANTIC COAST

#### SEVEN LIVES LOST AND GREAT AMOUNT OF PROPERTY DESTROYED

New York, Feb. 3.—Half a million dollars damage and seven known deaths is the result of the storm which swept up the Atlantic coast, yesterday, in the New York district.

Four persons were drowned when the dredge Eastern sunk off Port Jefferson. Sleet, snow and wind sent railroad schedules to pieces. A 90-mile wind caused much minor damage along the Jersey coast.

#### STILL RAGING IN THE WEST

Chicago, Feb. 3.—Passing eastward the general storm that prevailed yesterday left the west and central states badly crippled in their wire and rail facilities, with resultant damages which reach several millions.

Western trains are still struggling in huge snow drifts. Several vessels are icebound on the Great Lakes. Floods in the Ohio valley are doing considerable damage, and hundreds of families have been driven from their homes.

### SORTIE WAS NOT A SUCCESS

#### DEFEAT OF TURKISH FLOTILLA THAT VENTURED OUT OF THE DARDANELLES

Athens, Feb. 3.—An unconfirmed report is current here that the Mitylene flotilla of Turkish torpedo boats made a sortie from the Dardanelles Tuesday, attacking the allies' warships bombarding the Dardanelles. The flotilla was driven back after two Turkish boats had been sunk and another badly damaged.

#### ADVANTAGE TO FRANCE IN THE ARGONNE

Paris, Feb. 3.—An official report says that the French have made gains in the Aisne valley, particularly near Perthes. A violent German attack near Bagatelle, in the Argonne, was repulsed.

## RUSSIANS AND FRENCH SEVERELY REPULSED

### MANY COSSACK CAVALRYMEN CAPTURED SINCE MONDAY

### DESPERATE ATTACKS ON GERMAN POSITIONS IN EAST AND WEST MET WITH DEFEAT

Berlin, Feb. 3.—Four thousand Russians have been captured west of Warsaw since Monday. Fighting continues. Russian cavalry in northern Poland and French assaults upon the German positions near Perthes have been repulsed. Night attacks by Russians along the Bzura river have been repulsed.

### SCHOOL TEACHER SHOT

#### BY A HAMILTON COUNTY MAN WHO RESENTED PUNISH- MENT FOR HIS BOY

Valdosta, Feb. 3.—William Yates, aged twenty, a school teacher of Hamilton county, Fla., was shot and killed by Claude Holtzendorff Tuesday afternoon. Holtzendorff was shot through the mouth. Yates had administered a whipping to the son of Holtzendorff at school.

### FLETCHER KEEPS UP THE FIGHT

#### UNDAUNTED DEMOCRATIC SEN- ATORS STAUNCHLY SUP- PORT ADMINISTRATION

Washington, Feb. 3.—Administration senators today sought to persuade the seven seceding senators to return to the democratic fold and drive the shipping bill through as nearly untrammelled by amendments as possible.

It became known today that a caucus is planned in an effort to reconsider the vote by which Stone's resolution to table the motion was lost. If this fails, Senator Fletcher will offer an amendment to recommit, with instructions to report the bill back to the Senate within forty-eight hours.

The democrats have agreed that neutrality should be safeguarded by an amendment to the bill forbidding the purchase of interned ships, unless belligerents consent to their purchase.

#### BREAKING DOWN OPPOSITION TO SHIP PURCHASE BILL

Washington, Feb. 3.—A plan guarded with the utmost secrecy was adopted by administration Democrats of the Senate in caucus last night to break down opposition to the government ship purchase bill. The program includes parliamentary maneuvers, which were put into effect this afternoon in the Senate, and according to leaders of the party, is calculated to bring support of the measure to offset Monday's democratic revolt.
